Analyzing insurers' over-all performance and financial strength is a task that requires specialized skills and in-depth technical understanding of all aspects of insurance company finances and operations. Insurance brokerages such as Alliant Insurance typically rely upon rating agencies for this type of market analysis. Both A.M. Best and Standard and Poor's have been industry leaders in this area for many decades, utilizing a combination of quantitative and qualitative analysis of the information available in formulating their ratings.

A.M. Best has an extensive database of nearly 6,000 Life/Health, Property Casualty and International companies. You can visit them via this www.AmBest.com. For additional information regarding insurer financial strength ratings visit Standard and Poor's website at www.standardandpoors.com.

New York Regulation 194 and General Broker Compensation Disclosure

Alliant Insurance Services, Inc. is an insurance producer licensed by the State of New York and other States. Insurance producers are authorized by their license to confer with insurance purchasers about the benefits, terms and conditions of insurance contracts; to offer advice concerning the substantive benefits of particular insurance contracts; to sell insurance; and to obtain insurance for purchasers. The role of the producer in any particular transaction typically involves one or more of these activities.

Compensation will be paid to the producer, based on the insurance contract the producer sells. Depending on the insurer(s) and insurance contract(s) the purchaser selects, compensation will be paid by the insurer(s) selling the insurance contract or by another third party. Such compensation may vary depending on a number of factors, including

the insurance contract(s) and the insurer(s) the purchaser selects. In some cases, other factors such as the volume of business a producer provides to an insurer or the profitability of insurance contracts a producer provides to an insurer also may affect compensation.

Disclosures / Disclaimers Cont.

The insurance purchaser may obtain information about compensation expected to be received by the producer based in whole or in part on the sale of insurance to the purchaser, and (if applicable) compensation expected to be received based in whole or in part on any alternative quotes presented to the purchaser by the producer, by requesting such information from the producer.

Declaration Limit Disclosure

The Declaration Limit of Liability is shared across the Named Insured(s) designated in a single Declaration. Exceptions include:

- Terrorism coverage, if purchased by a specific Named Insured, is provided on a combined basis with a sub-limit of liability that is shared across Named Insureds covered under multiple relevant Declarations.
- Flood and Earthquake sub-limits of liability, if purchased by a specific Named Insured and except as indicated below, are dedicated by Named Insured and cannot be reduced by losses sustained by other Named Insureds.

If a single Occurrence causes direct physical loss or damage to property of multiple Named Insureds covered by the same Declaration (or all relevant Declarations as respects Terrorism coverage), it is possible that the applicable shared limit of liability may be insufficient to fully indemnify the physical loss or damage as sustained by multiple Named Insureds.

In the event of a loss or accumulation of losses whereby the amount of loss exceeds the applicable shared limit of liability, the recovery available will be allocated on a proportional basis among individual Named Insureds under the same Declaration (or all relevant Declarations as respects Terrorism coverage). This allocation applies until exhaustion of limits on a per Occurrence basis and on an Annual Aggregate basis (if applicable). If a Named Insured's claim reporting is delayed, such Named Insured's recovery may be reduced or eliminated.

Furthermore, any Annual Aggregate limit of liability or sub-limit that is shared across all Named Insureds covered under a particular Declaration (or all relevant Declarations as respects Terrorism coverage) may be reduced or exhausted by the prior payment of claims arising out of separate Occurrences in the same Policy Period. As a result, it is possible that there may be no remaining limit available to pay a specific Named Insured's claim under the Policy.

To the extent actually covered, the Annual Aggregate limits are as follows:

- Accidental Contamination
- Mold/Fungus Resultant Damage
- Terrorism
- Flood and Earthquake damage to Licensed Vehicles, Unlicensed Vehicles, Contractor's Equipment and Fine Arts for Named Insured(s) that do not purchase optional dedicated Earthquake or Flood coverage

NRRA

(Applicable if the insurance company is non-admitted)

The Non-Admitted and Reinsurance Reform Act (NRRA) went into effect on July 21, 2011. Accordingly, surplus lines tax rates and regulations are subject to change which could result in an increase or decrease of the total surplus lines taxes and/or fees owed on this placement. If a change is required, we will promptly notify you. Any additional taxes and/or fees must be promptly remitted to Alliant Insurance Services, Inc.

Changes and Developments

It is important that we be advised of any changes in your operations, which may have a bearing on the validity and/or adequacy of your insurance. The types of changes that concern us include, but are not limited to, those listed below:

- Mergers and/or acquisition and any change in business ownership, including percentages.
- Any newly assumed contractual liability, granting of indemnities or hold harmless agreements.
- Any changes in existing premises including vacancy, whether temporary or permanent, alterations, demolition, etc. Also, any new premises either purchased, constructed or occupied
- Circumstances which may require an increased liability insurance limit.

Loss Notification Requirements:

Your policy will come with specific claim reporting requirements. Please make sure your organization understands these obligations and time limitations which are outlined in the attached Loss Notification documents. Contact your Alliant Service Team with any questions.

Certificates / Evidence of Insurance

A certificate is issued as a matter of information only and confers no rights upon the certificate holder. The certificate does not affirmatively or negatively amend, extend or alter the coverage afforded by a policy. Nor does it constitute a contract between the issuing insurer(s), authorized representative, producer or certificate holder.

You may have signed contracts, leases or other agreements requiring you to provide this evidence. In those agreements, you may assume obligations and/or liability for others (Indemnification, Hold Harmless) and some of the obligations that are not covered by insurance. We recommend that you and your legal counsel review these documents.

In addition to providing a certificate of insurance, you may be required to name your client or customer on your policy as an additional insured. This is only possible with permission of the insurance company, added by endorsement and, in some cases, an additional premium.

By naming the certificate holder as additional insured, there are consequences to your risks and insurance policy including:

- Your policy limits are now shared with other entities; their claims involvement may reduce or exhaust your aggregate limit.
- Your policy may provide higher limits than required by contract; your full limits can be exposed to the additional insured.
- There may be conflicts in defense when your insurer has to defend both you and the additional insured.
